Insert: "Ombudsman Funding--Warm Hearts/Warm Homes may be expended only for activities related to the ombudsman function."

Funding for Individual Development Account may be expended only as the required nonfederal match for individual development savings accounts (IDAs). Included in this appropriation is funding for a report by the human and community services division to the legislative finance committee and the children, families, health, and human services interim committee at each meeting from October 2007 through December 2009 on the goals, objectives, and measurements established for the program, the number of savings accounts established, the value of the accounts, and the location of the account holder. If the reports are not received, the fiscal year 2009 appropriation in Individual Development Account is void."

Explanation - This is a technical amendment to reinstate omitted language for two restricted appropriations in the human and community services program.
